REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Fox Creek High School's 2011-2012 school year was again one of great academic, athletic, and social achievement. Academically, we again received a rating of Excellent on our South Carolina Department of Education School Report Card. We achieved this rating and the Palmetto Gold Award an unprecedented three of the last four years, putting Fox Creek on the map as one of South Carolina's premier educational institutions. The Class of 2012 set a Fox Creek record with nearly \$1.7 million in college scholarships and grants. This is the second time that a graduating class has broken the 1 million dollar mark. The HSAP longitudinal passage rate last year was 97%, the highest in the area. Our graduation stands at 75%, which is among the highest in the CSRA.

Fox Creek continues to enhance its strong academic rapport by adding college classes that are taught on campus. Our Silver Fox Academy now boasts 39 hours of Dual College Credit. In addition to this program, we have added our Fox Creek A&T Academy, which provides Dual College Credit in the areas of welding, air conditioning, and health science. In order to assist in these programs and to enhance our current offerings, we have added a curriculum specialist position provide further oversight and contribution in our continual growth.

We have added to our award winning staff several veteran teachers, increasing our teachers' average years of experience from 10 years to 13 years. Our faculty has won numerous professional awards including 8 WJBF Golden Apple Awards and 2 WRDW Time to Care Awards. Three Fox Creek Family members are Nationally Board Certified teachers.

Academic facilities and technology continue to be priorities at Fox Creek. We have completed construction on a 4800 square foot athletic facility as well as a 200 square foot softball concession house. Our 2 full size computer labs are being outfitted this summer with new computers. We are currently renovating our Media Center to accommodate 34 additional computers. We now have an LCD projector mounted from the ceiling in over 95% of our classrooms and smartboards in almost 50% of our classrooms. We have added 3 flat screen televisions in classrooms around the school and our lunchroom. In addition to these, we have also added interact tablets, ELMO projectors, and various other state of the art equipment to ensure that Fox Creek leads the way in technology.

Seven of Fox Creek's eleven varsity sports teams made the SC state playoffs in their respective sports this year. Four of our coaches were the Region IV Coach of the Year. Three of our varsity sports teams won region titles with one moving on to win the district championship.

Fox Creek will continue its work to identify opportunities for parents and community members to support our students. With the continued involvement of parents and friends, Fox Creek will continue to be an exemplary school.

Dr. Timothy L. Murph, Principal
